To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

Adverting to Government Proceedings No.2506-7/M.F.132-22-4 dated 16th March 1923 sanctioning a loan of Rs.3,400/- from the funds of the Sri Kalaseswaraswami temple for the repayment of certain debts due to the creditors of the Sri Sivaganga Matha, I have the honor to forward herewith copy of letter No.1569/T.A.D.B. dated 14th May 1923 from the Comptroller to Government intimating that there is not sufficient balance at the credit of the Kalasa temple to meet the entire loan amount, besides meeting its monthly charges and requesting me to point out some other source from which the charge could be met and to state that as all the available cash balances of Major and Minor Institutions less the amount required for pay, paditara and other inevitable items of expenditure have been proposed to be invested in 6½% Mysore Loan Papers, it is very doubtful if any one institution could spare the required amount. Moreover, the sum of Rs.2,100/- already advanced out of Kalasa temple funds has to be recouped for other items of urgent expenditure, such as the repairs to the vessels, preparation of a silver Prabhavali, construction of a Rudraksha Mantapa etc.

2. Large cash surpluses are available at the credit of the Nowl Krishna Doss charities at Seringapatam (Rs.24,066-14-1) and Damodar-doss Charities at Kunigal (Rs.17,850-9-0) and no portion of these

P.T.O.

these amounts are proposed for investment in loan bonds. The available at the credit of the latter institution may, however, be required for immediate use as the tanks in the inam villages belonging to it are reported to be in very disrepaired condition and as projects for their restoration are being got up by the Executive Engineer, Tumkur Division. The funds at the credit of the former are not immediately required and I am therefore of opinion that the required amount may be advanced out of this institution.

3. As this is a charitable institution under the temporary management of Government, it seems to me to be only reasonable to advance loans out of its funds charging a fair rate of interest therefor. As a special case, however, a concessional rate of 5% interest may be allowed on the loan to be now advanced on the analogy that a similar rate of interest has been allowed on a loan of Rs.15,000/- made to Sri Sivaganga Matha from the Kalasa temple funds.

In the above circumstances of the case, I recommend that a sum of Rs.3,400/- be advanced to the Matha as a loan at 5% interest, repayable in six annual instalments.

I have the honor to be,

Sir,

Your most obedient servant,

Assistant Commissioner,
for Muzrai Commissioner.
Absent from station.

Letter No.1569 TAD B dated 14th May 1923, from the Comptroller to Government, to the Muzrai Commissioner in Mysore:--

---

"Adverting to Government Order No.2506-7/M.F.132-22-4 dated 16th March 1923, passing orders regarding the payment of moiety of debt to the creditors of the Sivaganga Mutt, and sanctioning the loan of Rs.3,400/- from the funds of Sri Kalaseswaraswami Temple at Kalasa, subject to its repayment in six annual instalments, I have the honor to state that only a sum of Rs.3330/- is at the credit of Kalaseswaraswami temple at the end of March 1923, and that out of this a sum of Rs.2100/- is adjusted towards the payment of Token Bill No.535 on account of Sivaganga Revanna's claim.

As there is not sufficient balance at the credit of this institution to meet the balance of the loan payable to the Sri Sivaganga Matt, besides meeting its monthly charges, I request that you will be good enough to point out some other source from which the balance of loan viz., Rs.1,300/- may be met."
